

SUPPORT ADAPT OF TEXAS!

Grab your wheels, your bike, your dog, your kid or your skates. But most important sign up your sponsors to support Disability Rights while you run with ADAPT. This is not a race. You will run, walk or roll around a quarter-mile track for an hour and count your laps. We do the rest. We provide T-shirts, food, drinks and lots of music for sponsored participants! All proceeds go to support disability rights.
