## **SUGGESTION!**

**You can make personalized QR codes for each participant by going to a free QR Generator such as [flowcode.com](https://flowcode.com). Then you can place the QR Code on the back of the business card. This way, participants can hand out their business card and people who wish to sponsor them can do so by scanning the QR code on their phones and will then be directed to the personalized participant sponsor page on the Fun Run website.**
